April 3, 2020

First, we want to let you know how much we appreciate your patience as we continue to monitor University, local, state, and federal guidelines as we make operational decisions.

It has been decided to charge March dues at a discounted rate. We have processed the month of March and you should receive your statements soon, if not already. If you have any questions regarding your statement, please contact universityclub@ches.ua.edu.

We will not make a decision about April dues until later, as the COVID-19 situation is constantly changing.

Finally, unfortunately, we have made another hard decision to cancel our Easter brunch. Because of the curfew set in place by the city of Tuscaloosa and the closure of non-essential businesses and restrictions of on-premise dining set in place by the ADPH, we feel that it is in the best interest of our membership’s health and safety to cancel our Easter brunch service.

Again, we thank you for your patience during these trying times. Please know that these decisions are not made lightly, and we are committed to keeping you safe and healthy.

Please email us at ucevents@uclub.ua.edu with any questions. This email will be monitored during closure, but may have some delay in responding. We hope you and your loved ones continue to stay safe and healthy!

Sincerely,
The University Club

March 27, 2020

With heavy hearts, The University Club will be closed indefinitely starting 3/30. In the interest of public health and to remain compliant with state health ordinances, mayoral executive orders, and directives from The University of Alabama, we feel this to be the best decision moving forward.

As we all know, the COVID-19 situation is changing drastically each day; because of this, we will notify our membership immediately of any changes. Please keep an eye on our social media, along with email communications, as these will be our primary avenues of dispensing information.

We will announce our decision about future dues payments soon, as we are awaiting more information from the University’s accounting and receivables departments for guidance.

We thank you for your patience during these trying times. Please know that these decisions are not made lightly, and we are committed to keeping you safe and healthy.

Please email us at ucevents@uclub.ua.edu with any questions. This email will be monitored during closure, but may have some delay in responding. We look forward to reopening and serving you soon--we miss all of our amazing members!

Sincerely,
The University Club

March 18, 2020

With several changes happening in the past couple days, The University Club would like to keep its membership informed of new policy and operational changes.

In accordance with the recent ordinances from the ADPH and decisions from The University of Alabama, The University Club will extend its closure through 3/29. As we all know, the COVID-
19 situation is changing drastically each day; we will be monitoring the situation closely over the next week and keep you informed of any changes.

We thank you for your patience during these trying times. Please know that these decisions are not made lightly, and we are committed to keeping you safe and healthy!

Please email us at ucevents@uclub.ua.edu with any questions. This email will be monitored during closure, but may have some delay in responding.

Sincerely,
The University Club

March 16, 2020

In order mitigate the risk of spreading disease, we have decided to suspend any self-service of food and beverage at The University Club until further notice.

This means that we will no longer have our buffet in our Main Dining Room; rather, we will still offer the daily lunch buffet menu, but our staff will serve you instead of guests serving themselves. We will still offer our a la carte and dessert menus.

We appreciate your patience and understanding as the COVID-19 situation is ongoing. Please email us at ucevents@uclub.ua.edu with any questions. This email will be monitored during closure, but may have some delay in responding.

Sincerely,
The University Club

March 13, 2020

With all the recent developments regarding COVID-19 and The University of Alabama, we wanted to reach out to our club membership and let everyone know what our current plans are.

As of right now, The University Club will resume normal operations again on Monday, 3/23 as originally scheduled, and we will continue to operate as usual until further notice.

We are staying vigilant and enacting additional policies to help mitigate the risk of spreading disease here at the Club. Policies and initiatives that we have already or will enact include:
- Provided additional training for UClub employees on how to prevent the spread of COVID-19 and proper sanitizing procedures
- Increasing hand-washing frequency, increasing the frequency of changing gloves
- Frequent sanitization of high-touch surfaces throughout the Club
- Installing additional hand sanitizing stations throughout the Club
- Discontinuing the use of personal cups
- Changing out service utensils for self-serve buffet service every 30 minutes

We are committed to your health and safety. We will continue to watch this situation very closely and keep you updated as quickly as possible with any changes.

Please email us at ucevents@uclub.ua.edu with any questions. This email will be monitored during closure, but may have some delay in responding.

Sincerely,
The University Club
