January 29, 2020

To our University Club family:

We are saddened to announce The University Club’s continued closure through the end of May 2021. Because of the operational limitations set forth by the University’s COVID-19 protocols, including local and state guidelines, we found it would be difficult to operate in a fiscally responsible manner.

Because we have been closed for such an extended time, we will need to reconfigure our operational processes. This will take time, but we will keep you updated once this has been finalized.

As in prior months, we will not charge dues during this closure.

We are forever grateful for your continued support and patience. Please direct any questions to Club Director, Matt Stroud, at mastroud@ches.ua.edu or 205-348-4843 or Events and Membership Coordinator, Angelique Crawford, at ucevents@uclub.ua.edu or 205-348-4849.

Sincerely,

The University Club
