Asian Inspired Cuisine

The University Club would like to invite you to join us for our Asian themed dinner on Tuesday, July 21st from 6:00 - 9:00pm. Sous Chef Angelique Dean is of Filipino heritage and has prepared a 6-course menu with some of the most popular Asian Cuisines. The menu features a Vegetable Spring Roll and Potsticker duo, Galangal (Thai style coconut soup slow simmered with acorn squash, green beans, ginger, onion, and garlic), Seafood Sunomono (Japanese pickled cucumber salad with shredded onions, radish, and carrots, topped with shrimp and sardines), Pancit (Rice noodles simmered with slow cooked vegetables in an Asian style chicken broth), Chicken Adobo (Tender chicken slow cooked in a brown sugar soy broth, served over white rice), Green Tea Ice Cream, and Biko (Slow cooked Filipino sweet rice simmered in a coconut milk and brown sugar reduction). The cost for the dinner is \$55.00++ per adult and reservations are requested.

Online Payment Option

We are excited to announce that the University Club is now able to accept online payments. To make a payment on your account, simply visit our website at www.universityclub.ua.edu, and select the "Make Payment" button on the home page. This link will take you to a secure payment site created by the University of Alabama using TouchNet software. You will enter your member number (first six digits only), member name, phone number, and email address. Please refer to your monthly statement for your member number and account balance. Several members have already enjoyed this new service. It is the quickest and most secure way to make a payment. We hope you find it to be user-friendly as well. If you have any questions, please feel free to contact the Business Office at 205.348.4850.

Member Dues Increase

As was mentioned in previous newsletters, the Club is experiencing sharp increases in food and beverage pricing from our vendors due to the rise in wholesale commodities. We are also facing increasing overhead cost in preserving and maintaining a building that was originally built in 1834 and last major renovation in 1999. For these reasons, the club management team has decided with careful consideration to institute a \$5.00 increase to all membership categories effective July 1st. This will be the first increase in dues in over 7 years. We do not anticipate any other price increases at this time. With the continued support of your membership, we remain committed to providing you with quality food and beverages in a historical environment with competitive pricing. Thank you again for supporting The University Club.
