

WELCOME TO THE UNIVERSITY CLUB!

The University Club is a historical landmark located minutes from The University of Alabama's campus.

James H. Dearing, a member of the Alabama Legislature, was its first occupant in 1834. Over the years, it housed many Alabama elites, notably becoming the residence for Governor Arthur Bagby during his time in office.

In 1946, The University Club was established as a private club for faculty and staff.

Today, we provide excellent cuisine for private dining and create memorable experiences for The University community and other area residents.

For more information about membership in The University Club, be sure to contact us at 205.348.4849 or ucevents@uclub.ua.edu.
